TRADE TERMS 2025

- **Minimum order**

Our minimum order is... One. That's right, if you only want to order one item, you can. We'll be disappointed, of course, and we do think you'll need more than that on your shelves, but we won't hold it against you!

- **Minimum quantities**

The only minimum we suggest, is for the fridge magnet vases, simply because they're such good sellers. If you order our suggested starter set of 28 for the price of 26, we supply a retail display stand for them. Subsequent top-up orders can be for any amount.

- **Lead time**

We try to keep some stock to hand, but as our items are handmade in small batches, please allow 4 weeks for delivery – longer at busy times such as after a trade show. The current time-scale will be advised on enquiry.

- **Carriage paid minimum order**

The minimum spend to qualify for free UK delivery is £150.

- **Carriage costs**

Delivery costs on orders below £150 are charged at a flat £7. Delivery is made by either courier or Royal Mail. We reuse packaging wherever possible to keep waste to a minimum.

Note that we do not surcharge for Highlands and Islands deliveries.

- **VAT**

VAT will be charged on all orders at the rate prevailing at the time of invoicing.

- **Payment terms**

For an initial order, we ask for payment in full before dispatch of goods. For subsequent orders, our payment terms are 30 days from invoice date.

- **Discount scheme***

Orders of £500 or more will benefit from a 10% discount (order values ex VAT).

* discounts are dependent on payment being made in full and on time.

- **How to order**

Orders can simply be emailed to us. We do not accept telephone orders without confirmation in writing.

- **Damages and returns policy**

Any damage caused to stock during delivery must be notified in writing within 3 working days of receipt. Such stock should be returned to us for replacement. Postage costs will be credited.

- **Full terms and conditions** are available on our website:

<https://www.humblewood.uk/terms-wholesale.html>

Due to the size of our business, we do not export outside of the UK. And sadly, due to the EU's GPSR rules we can no longer supply customers in Northern Ireland.
