- **Reversible**

Designed to Perform Regardless of Conditions

Every decision we make is focused on performance first and foremost. We carefully consider every piece of hardware, material, feature and coating to ensure that our products perform at the highest level, without compromise.

We source our duck down responsibly, though the RDS certified supply chain Responsible Down Standard ensures high quality down that is produced ethically and humanely.

Responsible Down Standard

Our R.D.S. Down insulated jacket collection boasts impressive specifications, with 90/10 Duck Down/Feather ratio, 600 fill power and a water repellent outer (1,000mm).

RDS certification independently confirms that the high quality down used in our jackets has been sourced from traceable and sustainable feather supply chains that conform to the best practices in animal welfare.

Our modular merchandising stand allows one stand to be adapted to have either a classic hanging bust, or hanger system, and can be single or double sided.

Stands can be supplied with or without graphic packs.

Our retail concept allows the customer to try their size from a hanging garment, and then pick from the sacks below.

Modular Display Units

- Effective Sales Tool
- Holds Stock & Displays Garments
- Easily Manoeuvrable
- Sturdy Metal Construction
- Expandable, Modular Design
- Highly Profitable Use of Floor Space
- Comes with Associated Point of Sale
- Offered as Part of Stockists' Package
- Brackets Provided for Use with Slat Wall
