#WESELLSOCKS

We are a family owned and operated Sock Business whose mission is simple - to spread joy with every pair you wear or gift. Co-founders Nick & Josie are the *socksperts*, designers and all round brains behind Soctopus. Born in Brighton, by the UK seaside, our family business focuses on designing personality-led socks with a nod to British and European humour and culture.

We pride ourselves on having a sock for everyone with our range of designs and, more than anything, our sense of humour doing it.

The Soctopus journey started back in 2016 and after years of selling socks for other people they decided it was time for their own sockcess!

After receiving amazing feedback from our loyal and eccentric customers over the years, we decided to ban the genders, along with plastic hooks!

Our passion is to translate familiar cultural icons, sports, hobbies, and more, into ...

“fun for your feet”

Our range consists of, COTTON, BAMBOO, ATHLETIC SOCKS and LICENSED SOCKS!

COTTON Socks Composition: 70% Combed Cotton, 28% Polyester and 2% Elastane
BAMBOO Socks Composition: 70% Viscose (derived from Bamboo), 28% Polyester and 2% Elastane

This year, we are introducing even more fun designs and expanding our licensed range - to include; Star Wars and Disney. We're excited to launch our first COTTON TRAINER SOCKS range and introduce even more designs!

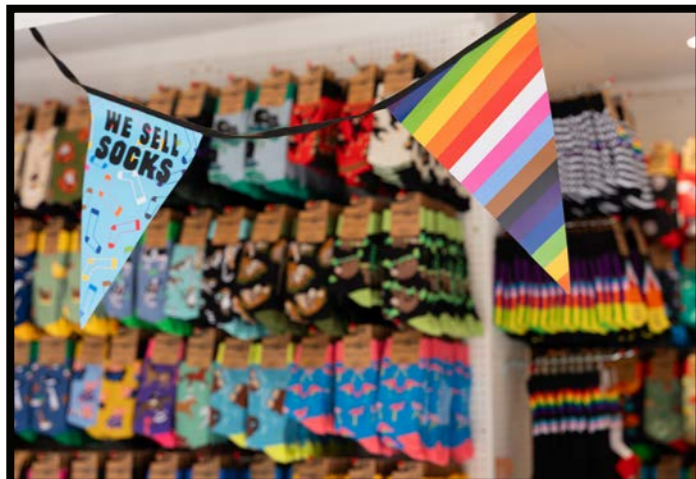

By popular request, selected designs will now be available in three-sizes:

X-SMALL - UK 12-3 / EU 30-36 / US 13-4
SMALL - UK 4-8 / EU 37-42 / US 6-10
LARGE - UK 9-12 / EU 43-46 / US 10-13

Our ATHLETIC Range is currently available in one-size:

ONE-SIZE - UK 5-11 / EU 38-45 / US 7-12

We have many international wholesale partners and now have six-retail stores across the UK and working with many Charitable partners. Our small family business is growing and we are super excited about the future!

Soctopus is proud to be an inclusive and supportive business and we are always looking for ways in which we can contribute in positive ways to both our local communities and charitable causes that are close to our heart.

We work closely with LGBTQ+ charities that our retail stores choose within their community. We sell a range of pride socks and for every pair we sell we make a financial contribution to our chosen Charities - Switchboard, Oxford Pride, LGBT Health & Wellbeing & The Kite Trust.

Presents

Robert E Fuller
WILDLIFE ARTIST

Soctopus have worked together with Rober E Fuller to create a range of socks based around some of his beautiful wildlife paintings.

Robert E Fuller is one of Britain's foremost wildlife artists. His paintings sell all over the world and his trademark, highly-detailed images have been adopted at home by the RSPB and the National Trust. He has exhibited in wildlife galleries across Europe and up to 7,000 people visit his gallery in North Yorkshire each year.

A recognized authority on wildlife, Robert often appears on television and regularly writes about his wildlife subjects for his local newspaper, The Yorkshire Post. His life-long passion for the natural world was shaped by his upbringing on a farm on the Yorkshire Wolds. www.robertefuller.com

WHY BAMBOO SOCKS?

Bamboo socks are naturally soft, feeling luxurious, antibacterial, hypo-allergenic, thermo-regulating and have moisture wicking features and breath-ability, which keep feet nice and dry and odour free. Bamboo fibres are also very durable, making socks strong and resilient. Bamboo is highly sustainable and grows fast with some species growing by over a meter a day! It requires very little water to grow and does not need fertiliser or pesticides to grow, so it is kinder on our environment.

Soctopus is proud to support Beth's legacy as told by her family;

Beth was 2 months away from her 21st birthday in August 2018 when she lost her battle with Acute Lymphoblastic Leukaemia. She fought the disease for nearly 2 years and got into remission only to relapse.

2019, the year after we lost Beth, another Leukaemia Mum that Andrea and Rob had met at the QE Hospital in Birmingham, grew some sunflowers and called them her Young Persons Unit (YPU) Sunflowers in tribute to all the young people who had fought but tragically lost their battles with cancer. We grew those first flowers and harvested them; from the original sunflowers we now produce thousands of seeds each year.

"we sell socks"

OUR ECO MISSION

RECYCLED CARDBOARD

We use recycled cardboard for our hang cards and paper for our e-com mailbags.

BCI CERTIFIED

Better cotton is the world's leading sustainability for cotton. Their mission is to help cotton communities survive and thrive, while protecting and restoring the environment. All of our socks are BCI certified.

NO PLASTIC

Making every aspect of our socks eco-friendly is hugely important to us so we do not use plastic, but thread to secure all our socks.

THAT GORILLA BRAND

There are just over 1000 mountain gorillas left in the wild and they all reside in the mountainous forests of neighbouring Uganda, Rwanda and the Democratic Republic of Congo.

The majestic great ape is the real treasure of this land, much more beautiful than the highly sought-after natural reserves of oil or gold, but also much more scarce. The exploitation of this resource-rich region threatens their existence.
