DISTRIBUTION

As you may have guessed, we're OBSESSED with socks here at Soctopus! Even more, we LOVE to work with other creative and like-minded individuals and sock brands.

This year, we are excited to introduce three brands, exclusively distributed by us.

It's fair to say, it's not for the faint-hearted...

COTTON Socks Composition: 70% Combed Cotton, 28% Polyester and 2% Elastane

We keep it simple, two sizes available for our COTTON-crew socks, and one-size available for our ATHLETIC range.

COTTON-CREW SOCKS:

SMALL - UK 4-8 / EU 37-42 / US 6-10

LARGE - UK 9-12 / EU 43-46 / US 10-13

ATHLETIC-SOCKS:

ONE-SIZE - UK 5-11 / EU 38-45 / US 7-12

We have many international wholesale partners and now have six-retail stores across the UK and are working with many charitable partners. Our small family business is growing and we are super excited about the future!

FEELING THE FEELINGS
DRAWING THE DRAWINGS

Katie Abey is a creative human committed to the idea that she might just be able to make a positive difference to the world by drawing perturbed animals and lots of rainbows for a living. She used to view her deeply sensitive traits as a flaw but has now harnessed those characteristics into the superpower they are!
She now transmutes all of the feelings into all of the art.

Her work is created to uplift and feel supportive and she is passionate about making people feel proud of their individuality and all of the things that set them apart from others.

Embrace your weirdness.

Alongside building her brand and merchandise, Katie has illustrated 50 children's books and counting!

Katie and her husband Jeff have opened a bricks-and-mortar shop in Derbyshire called Punnydukes and they have enjoyed conjuring immersive, creative spaces where people can escape from reality and browse some much needed magic.

We cannot wait to explore Katie Abey's magic!

GROOVY THINGS^{CO}

Groovy Things Co is a family owned and operated company founded in 2019 by Beth, Blake and Zach Welch. The company started in the garage at the Welch family house, until they quickly ran out of space and found a warehouse / office space in Frisco Texas that they now call home.

Their goal is to spread happiness and encourage people to express themselves through the products they create.

We are super excited to be their official UK distributor!

Groovy Things socks are made with soft combed cotton for superior softness.

Cotton is our main ingredient, all of their socks have between 43 - 60% cotton.

They add nylon and polyester for strength and durability so you can wear them longer, and just a bit of spandex for the perfect amount of stretch.
