## DISCOVER SOMETHING NEW & EXCITING!

Wix & Wax Candles are a small family run business based in Kent, Southeast England. We design innovative, unique, handmade candles to retailers across the UK.

All our candles are hand poured, painted and finished to the highest standard.

We use a custom-made, hardened paraffin wax to increase our burn times whilst enhancing the definition and details of our designs. We focus on the finer details to create the perfect candles for decoration, gifting or burning.
