EOIN O'CONNOR'S eclectic style and striking use of colour makes his work instantly recognisable. Eoin's vividly contrasting palette and striking compositions provide an instantly recognisable style to his extensive body of work; one which remains inspired by the beauty of the Worlds landscapes, seascapes and inhabitants! His unique use of high quality paints on thick canvas results in creating a multi-dimensional perspective for the viewer; heightened through techniques such as impasto and a nuanced understanding of his subject matter.
