[CANDY-COATED.COM](http://CANDY-COATED.COM)

Welcome to Candy Coated Accessories, **luxury lambswool knitted accessories** for you and your home, inspired by geometric patterns and vibrant colours, designed with **sustainability in mind** and **made in Scotland**.

Hi, I'm Fiona, owner of Candy Coated Accessories based in the North East of Scotland. With a background in textile manufacturing since 2006 I use a mix of **traditional techniques and modern design** to develop **distinctive collections** of joyfully bright and bold products for you to cherish.

These range from fully reversible jacquard **knitted scarves**, eye catching pom pom **beanies**, stylish twist **headbands**, super snuggly **hot water bottle covers** and so much more.

## FUSION COLLECTION

Fusion is the process of joining two or more things together to form a single entity. In this collection, this idea is reflected in the combination of colours and patterns. The mix of dashes, dots, stripes, and arches creates a truly unique fusion of pattern and colour.

Each product complements the others, incorporating elements of pattern and colour to ensure a cohesive collection. This diverse range includes a fully reversible narrow scarf and a neck warmer snood. The collection is further enhanced by the addition of wrist warmers and a rib twist headband.

We believe this stunning collection is a valuable addition to Candy Coated's existing offerings.

# BALANCE COLLECTION

Achieving balance is a common goal for many of us. In creating this design, I aimed to merge various geometric shapes into a pattern that is truly harmonious.

The collection is unified by a gentle grey base, yet each colourway remains distinct, featuring vibrant pattern colours and bold highlights.

The Balance collection includes a wide variety of products, such as twist headbands, patterned hats, two fully reversible scarves, two sizes of hot water bottle covers and lambswool lounge socks.

I believe that the unity of design, colour, and product makes this collection truly special and appealing to everyone.
