Welcome to our 2025 Christmas Trade Catalogue

This year has been a year of change for us, moving to new premises in June, and starting a new life in the East Neuk of Fife. Here it is all about coast, sea and brisk walks. We love it, and we love our new studio from which we can see the waves.

We're very proud of our new collection of enamel keepsakes as these are proving to be a successful sister product to our Scottish greetings cards. We've always wanted to find a medium to showcase our iconic designs in another form and the quality enamel finish enables us to achieve the same level of detail as in the illustration on our cards.

Our calendar for 2026 is back and we have had a great response so far, so please remember to get some in. They're printed to order on 200gsm high quality recycled Novalis paper and wire bound. They make a perfect gift/ souvenir of Scotland.

And that just leaves to say thank you to all our loyal customers who choose to buy local and independent design, we really appreciate it!

And if there's anything we can do to make your experience with us in any way better, please don't hesitate to let us know and we'll try our hardest to make everything bonnie and bricht!

All the best for the Christmas season and look forward to being of assistance to you!

Happy Christmas Memories

Dae ye mind o' Christmas lang ago
When we were only wee
There's summer shimmers fur laploaps
In the presents 'neath the tree
We were happy wi' a joggaw
An' annual or a game

An' fur the lads a train
An' then if we were lucky
A big selection box
Then sometimes no' sae lucky
