WEE WISHES

Wee Wishes is a small, family run greetings card publisher based in Fife, Scotland.

We pride ourselves on creating quirky Scottish greetings cards and gifts that celebrate all that it means to be Scottish.

We run our business from our home studio where we create and process all our designs and orders, ensuring top quality and fast turnaround.

All our designs are created inhouse, many are printed in Scotland and some in England.

All are printed on to very high quality board and finished with luxurious hot foiling detail or handfinished with dimensional paint.

Our designs encompass all occasions and each design is specially curated to add to our varied collection.

We also offer additional products such as enamel keepsakes, wrapping paper and tea towels.

We find our products work particularly well with locals and those who have a connection with Scotland.

They are also popular with tourists and ex pats around the world.

We hope you enjoy browsing our catalogue and, if you wish to order from us, please don't hesitate to contact us by phone or email, 01337 830959, 07716377882 (whatsapp) info@weewishes.co.uk or you can register on our website as a trade customer www.weewishes.co.uk

You can view our entire collection on our website.
