WOOLLEN MILLS

The Authentic Spirit Of Ireland

collection 2021

A close-up photograph of several spools of yarn in a field of tall, dry grass. The spools are made of cardboard and are wrapped with yarn in various colors, including a prominent yellow one in the foreground. The background is a soft-focus field of tall grasses, suggesting a natural, outdoor setting. The lighting is warm and golden, likely from the sun being low in the sky.

The Authentic Spirit Of Ireland

The background of the image is a dark, atmospheric landscape. It features a range of mountains or hills, some of which are shrouded in mist or low clouds. In the foreground, there is a calm body of water, possibly a lake or a wide river. The overall color palette is muted, consisting of various shades of grey, blue, and black, creating a sense of depth and mystery. The lighting is soft and diffused, typical of an overcast day.

luxury

Our luxury range allows us to present our unique knitting traditions in a truly modern way. This knitwear is created from the finest Merino wool giving it a luxuriously soft hand feel. The marriage of an exceptional yarn with decades of Aran Woollen Mills Irish design and manufacturing experience results in superb knitwear that can be enjoyed for years to come. Choosing one of these Luxury authentic Irish knits allows our unique knitting traditions to keep thriving.

A woman with reddish-brown hair is standing in a mountainous landscape, looking down. She is wearing a white cable-knit sweater with a diamond pattern and dark brown trousers. The background shows misty mountains and a valley.

A couple is seen from behind, standing in a lush green field. The woman is wearing a white Aran handknit sweater and a matching white knit hat with a pom-pom. The man is wearing a dark green Aran handknit sweater. In the background, a flock of sheep is grazing in the field, and rolling hills or mountains are visible under a cloudy sky.

handknit

Our handknit collection knit with the lofty spun 100% Merino wool yarn has a look which is uniquely Irish. The intricate traditional stitches are impossible to copy effectively by machine and each has a story of its own embedded in its pattern. Here at Aran Woollen Mills our hand knits are still being knit as there were hundreds of years ago. Each handknit piece is unique and a real iconic treasure.

The Authentic Spirit Of Ireland

the stories behind our stitches

Basket Stitch

Represents the fisherman's basket and the hope of abundant catches

Hugs & Kisses

Represents a warm welcome for fishermen returning safely from sea

Diamond Stitch

Represents the shapes of fishing net mesh & is also a traditional symbol of wealth, success and treasure

Plaited Braid

The interweaving strands of life

Honeycomb Stitch

A reminder of the handworking bee and promises a just reward for honest labour

Trellis Stitch

Symbolic of the patterns created by the small stone-walled fields of the Aran Islands. Stones that offer protection from strong island winds

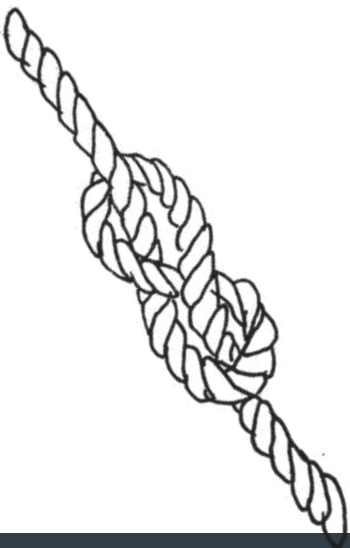

Cable Stitch

This most frequent stitch on the aran sweaters symbolises the fishermans rope and represents safety and good luck when fishing

Double Zig-Zag Stitch

The marriage lines; the ups and downs that make life worthwhile
