ABOUT US

Founded in 2007 Scott Inness is an award winning Scottish homeware and gift brand renowned for colourful and distinctive designs. Best known for our beautiful and unique interpretation of some of Scotland's most loved images our bold and contemporary collection of designs includes the Bramble Thistle, Highland Cow, Scottie Dog, Caledonian Pipes, Scottish Stag, Christmas Robin and our very own version of tartan.

Our ranges offer you something useful, yet contemporary and attractive to give as gifts or to adorn your home. Our driving passion to create beautiful unique design for our collections flows from the pleasure of giving and receiving, and goes hand in hand with our core values in offering quality, good value and integrity throughout our products.

During October 2018 D&C bought the Scott Inness Brand from Braeberry Brae Ltd. and will continue to develop the ranges.
