Harley®  
OF SCOTLAND  
1929

For almost a century, Harley of Scotland have been creating superior knitwear of exceptional quality. Using only the very finest natural fibres we have successfully combined our traditional values with the latest in technical innovation to create a range of beautiful and stylish garments that are renowned worldwide. We pride ourselves that we are pioneers of seam free whole garment techniques in Scotland and hold to the values of zero waste production.

Sustainability, innovation, creativity and a respect for our traditions are at the heart of our luxury knitwear business.
