

The GREY EARDL

ILLUSTRATION, CARDS + GIFTS

HELLO THERE

I am The Grey Earl (also known as Jon), a full time illustrator and tea drinker, making work, somewhere in the hills of rural Scotland (how mysterious!)

Welcome to my catalogue of work, which includes my entire range of greetings cards and gifts

**“A DISTINCT SENSE OF HUMOUR
THAT APPEALS TO BOTH
CHILDREN AND ADULTS ALIKE”**

I am a proud supporter of home grown businesses and can happily say that all of my printed products are sourced from suppliers around the UK.

As well as trying my best to keep as much manufacturing as possible on these shores, I am also on a mission to use the most environmentally friendly production methods and materials possible. I am very pleased to say that all of my greetings cards and envelopes are made from 100% recycled papers (the power used to make them generated by wind farms no less!) and the packaging is either made of recycled materials or fully biodegradable, so you can throw them in your compost bin hassle free, safe in the knowledge it isn't going to end up in the sea or building up in landfill, good news all round!

If you would like to find out more about my work, please do get in touch.

Jon
