McConnell is an Irish knitwear brand with its roots firmly on the west coast of Ireland. Offering apparel with a strong focus on heritage and craftsmanship, the collection draws inspiration from the traditional utility Geansaí Árann, however, produce fisherman rib sweaters fashioned for the modern wardrobe.

Bold colour palettes feature in the McConnell 2022 collection, echoing the natural beauty of the Irish landscape. Men's and women's are designed with relaxed styling, modern proportions and contemporary detailing.

Sourcing only sustainable natural yarns from mills of provenance in Ireland, Scotland and Italy. Garments are designed, created and hand finished by an all-female team in the McConnell factory in Killaloe, Co. Clare. McConnell offers beautifully updated iconic classics with modern elements and timeless design.
