HERITAGE TRADITIONS

COUNTRY GOODS & SUPPLY Co.

Heritage Traditions key inspiration is the classic British tweeds and Scottish checks from traditional weaving, mastered by craftsmen and mill workers over the past few centuries. Our collection of caps and accessories are crafted in a range of wool mix herringbones, checks and houndstooth that are characteristic of tweeds developed throughout the British Isles.

We create our collections using styles handed down through generations but always with a modern twist – bringing long established shapes up to date with contemporary fits and clever attention to detail. You will find all our styles in a variety of colours, patterns and fabrics that will finish your look perfectly, whether you are out walking the dog or dressing up for a day out at the races.

Newsboy caps, Bakerboys and flat caps are our signature and come in high quality wool mix tweeds with elastic trim for easy fitting and our leather brand tab. Look out for co-ordinating products to polish your outfit with matching tweed ties, bow-ties and gloves. Our scarves are made using the finest pure wool and brushed for a soft luxurious handle and will keep you warm as well as stylish. Wallets and hip flasks add a perfect finish for your Heritage Traditions look and make great gifts too.
