

The
GREY EARDL

CATALOGUE 2023

Hello there,

I am The Grey Earl (also known as Jon), full time illustrator and tea drinker, making work somewhere in the hills or rural Scotland (how mysterious!)

I appointed myself an Earl way back in 2010 and have been making cards, books and gifts ever since.

'With a distinct sense of humour and illustrative style that appeals to both children and adults alike'

ETHOS

At Grey Earl HQ, we work with suppliers who share our values, with all of our cards printed right here in the UK. We use FSC certified paper stock, sourced from responsibly managed forests (the power used to make them generated by wind farms no less!)

We use recycled papers too and ship all of our cards plastic free or with biodegradable cello sleeves. We are always making work with our customers and the planet in mind.

If you have any questions about my work, please do get in touch, I'd love to hear from you,

jon@thegreyearl.com

STARS ARE BRAW

Stars are Braw is a collection of cards and gifts that celebrate a rather famous Science Fiction franchise, featuring force ghosts, pointy eared aliens and hunks of junk.

These cards were designed in Scotland and use the national dialect along with popular phrases from the films.

English translated versions are now available for the most popular designs making them suitable for shops both across the UK and in galaxies far, far away.
