# Autumn 2023

FABULOUS & FAIR TRADE

# EARTH SQUARED

At Earth Squared, fair trade is why we started and continues to be at the heart of what we do.

But we are also doing our best to reduce our impact on the planet including the following new initiatives.

All Autumn ranges now feature 100% recycled lining made from plastic bottles!

### B Corp Certification

We are delighted to now be B Corp certified – a certification which means we balance purpose and profit and are legally obliged to consider the impact of our decisions on the environment as well as our customers, workers and community. As part of the certification, our processes and supply chain have been assessed by B Corp which has been a great way of learning our strengths and weaknesses. And above all, we now have a road map for continued improvement with our environmental and social efforts.

For more information please visit [www.bcorporation.uk](http://www.bcorporation.uk)

### New packaging

For Autumn 2023 all products will now arrive with you in entirely biodegradable, compostable, recyclable and marine friendly Eco Garment Bags.

Designed so that products reach you in perfect condition, these bags use HydropolTM to biodegrade entirely after use – they look like plastic and protect like plastic but with zero end of life problems.

For more information please visit [www.ecogarmentbags.com](http://www.ecogarmentbags.com)

### Giving back

We are supporting a number of initiatives including tree planting and plastic collection in partnership with GetGreenspark – all with the aim of reducing the impact of our carbon footprint.

Look out for further developments on our website in Autumn 2023, so that you too can choose to support these initiatives when shopping.

For more information about how we are supporting these initiatives, please visit [www.getgreenspark.com](http://www.getgreenspark.com)

## Autumn 2023

We are excited to bring you our fabulous new Autumn 2023 collections – packed full of new designs and styles! With so much to choose from, including velvets, tweeds, oilcloths, jacquards and more – we truly hope you can find the perfect addition to your wardrobe for this Autumn.

At Earth Squared we try to make a difference in the way we do things – and we like to think the fashion accessories we create reflect that. Plus in addition to our membership of BAFTS Fair Trade Network we are really proud to now be a verified B Corp (for more information see the opposite page) – giving you even more reason to consider something special from Earth Squared!

If we can be of any help please just get in touch, but thank you for your support.

Best wishes  
Earth Squared
