'HOLLY JOLLY CHRISTMAS'

This Robin was seen in our garden next to Loch Leven in Kinross. I wanted to make something traditionally Christmas with a vintage inspiration. So illustrated the holly branch around the Robin. Taking reference from a holly bush in our garden.

'MERRY CHRISTMAS DEER'

This Stag was spotted in Ardnamurchan. I wanted to use foliage again to create a vintage Christmas feel. So took inspiration from mistletoe leaves, ferns and holly berries to illustrate the foliage around the Stag.

MEET THE ANIMALS!

'BLITZEN THE BEAR'

This Polar Bear is actually Walker from the Highland Wildlife Park. I wanted to do something fun for Christmas. So decided he should have on his party hat, ready for his Christmas dinner.

'COMET THE COW'

I wanted to have fun with my Christmas range so decided to give Hamish a Christmas makeover! Comet is ready to spread some Christmas cheer with his Santa Hat.
