## Roelofs & Rubens

Dutch designer Piet van den Beuken and partner Monty Abram work from their Berkshire countryside cottage studio and 'firing garage'.

With the help of a small team, all decorations are hand cut, hand decorated and beautifully finished with glass beads and ribbons. There is a large mix of ranges including animals, flowers, hearts and Christmas. You will be spoilt for choice.

**Bespoke**

Roelofs & Rubens offers a bespoke service. Custom-made decorations are designed and produced in-house exclusively for a range of museums, cathedrals, historic properties and other key visitor attractions.
