## ALCOHOL

### GORDON CASTLE DISTILLED GIN

Scottish herbs are hand-picked from The Walled Garden and carefully blended and distilled to tease out the botanicals. This small batch gin is crisp, elegant and refreshing with a lovely clean palate. Subtle notes of lavender linger in the back of the nose and within the mouth allowing garden mint to come into focus, helping promote the clean and refreshing character.

Serve over ice with fresh lemon, lime, mint and premium tonic...

### PLUM GIN LIQUEUR

This sophisticated gin liqueur has been crafted using our very own variety of Gordon Castle plums grown amongst the 259 historic espaliered trees lining the garden walls.

*Serve neat on ice or over hot apple crumble*

### RASPBERRY GIN LIQUEUR

Rich in flavour from our Walled Garden raspberries, this is one of our most popular gin liqueurs. Perfectly sweet and gently ripened by the Scottish sun.

*Best served neat on ice or with prosecco*

## THE HISTORY

Gordon Castle was the home of the Gordon clan whose lineage dates to the reign of King Robert the Bruce in the 14th Century.

The Cock o' the North, the 5th Duke of Gordon, was the driving force behind the legalisation of whisky distilling in 1823.

More recently in the 1960s and 1970s, The Walled Garden was a commercial fruit farm for Baxters, producing 70 tons of raspberries a year.

## SOCIAL RESPONSIBILITY

Gordon Castle has a role in growing the local economy, employing over sixty people. Working closely with Moray, they develop and empower young people, volunteers and craft producers to enhance the region's economy and community.
