# Satisfying animal and art lovers across the globe with my illustrative and contemporary home and stationery gifts!

Well - such was 2020, can we just write that year off please?! If you are reading this then I HOPE that means you are positively riding the storm and looking forward to planning your ranges for the year ahead. I am delighted to be introducing 2 new ranges; our Highland Cow Love and Christmas Reindeers - I do hope you love them as much as I do!

Drawing inspiration from popular wildlife, I create artistic and distinctive drawings. In working with UK manufacturers we are able to bring those drawings to life on a variety of high quality and beautiful, practical gifts. From canvas shopper bags, kitchenware, fabric notice boards and bone china mugs there is a gift to suit everyone with an appreciation for colour, quality, art and nature!

All my designs begin with a single pencil drawing on a plain piece of paper. I start by looking for patterns within the subject matter which I deliberately exaggerate through scale and colour to help give the overall image a sense of character, beauty and vibrancy.

## FAQs

### **Have you a minimum order?**

Yes. It is £200, before delivery and VAT is added. For orders outwith the UK it's £300.

Carriage is £12 to all UK addresses (Mainland, Highlands, Isles and Channel Islands). Carriage is only paid when the order value reaches £250 (before VAT is added). For delivery prices outwith the UK please email [hello@cherithharrison.com](mailto:hello@cherithharrison.com)

### **What are your payment terms?**

We trade with all customers on a pro-forma basis, which means that we will require payment on order. Trading on a pro-forma basis means that we take your order then we send you a pro-forma invoice, once you make payment we prepare and dispatch the goods. Once we have established a good working relationship we will look at changing to Credit Account terms. This will be entirely at our discretion and on a strictly 30 days from invoice date basis. We reserve the right to revert to pro-forma trading terms at any time if payments are not made on time or we become aware of adverse credit information. To place an order simply email us at [hello@cherithharrison.com](mailto:hello@cherithharrison.com) or give us a phone on +44 (0) 77118 51608 - we are open Monday to Friday 9am - 6pm.

Most items come in pack sizes of 6 but others vary, please refer to our price guide.

## **Looking to have your own bespoke gift range?**

We have produced bespoke gift ranges as well as collaborated for and with companies such as BBC Worldwide, TJX, Sainsbury's, Dean's Shortbread, Redwings Horse Sanctuary, The Hunterian, Edinburgh Dog & Cat Home and Pitlochry Dam Visitor Centre. We work with a variety of manufacturers who have the ability to produce most things from cushion covers, pencil cases, coasters, dish towels and more.

If you would like to discuss bespoke, collaborative and licensing projects then please get in touch. We have a separate price list that we would be delighted to share with you.

Phone: +(0) 77118 51608 Email: [hello@cherithharrison.com](mailto:hello@cherithharrison.com)

## How does it work?

**Stage 1** Once we have discussed design ideas (normally over the phone), your requirements and what products you wish to have we would then send over an order acknowledgement. A 10% non-refundable deposit is required before getting started on producing any designs.

**Stage 2** We start designing! We'll always share sketches and designs as we go along, allowing you to see the progress of your collection and taking on board any comments you may have and making adjustments where necessary. You will get to see the designs mocked up too for final approval before they are sent off for production.

**Stage 3** Final payment is required before the goods are made and dispatched.

## What are your timescales?

Stages 1 and 2 take approximately 2 weeks. For sampling and manufacturing of linen goods and mugs please allow up to an additional 8 weeks. Stationery

products don't require sampling and so their turn around time is approximately 2 weeks.

## Is there a minimum order?

For your first order we ask that a minimum spend of £500 is reached. After that you can re-order as little (or as much!) as you like.

## Where is everything made?

All our bespoke and core collections are made in the UK.

## Do you accept commissions?

Yes! We are also open to licensing partnerships and collaborative ventures and would be happy to discuss with you any upcoming projects and ideas that you may have.

## Have more questions?

Email at [hello@cherithharrison.com](mailto:hello@cherithharrison.com) or give us a ring on +44 (0) 77118 51608 if you do! We'd be delighted to chat things further with you.
