

European Universities Estates Congress

20-21 October 2026 | Manchester Central

Exhibiting at the European Universities Estates Congress offers a unique opportunity to showcase your brand to key decision-makers shaping the future of university campuses across Europe. Position your organisation at the heart of sector innovation, build valuable connections and demonstrate your expertise to a highly targeted audience of senior leaders responsible for real estate, facilities management and campus development.

Shell Scheme

£497 + VAT per m²

A shell scheme stand includes walling, carpet, lighting, 500w power supply, and a fascia name-board enabling you to eliminate the job of building a stand and concentrate on furnishing your stand to better demonstrate your product.

Stripped Back Shell Scheme

£497 + VAT per m²

The Stripped Back Shell Scheme includes electrics, walling & carpet, but removes the fascia name-board and connecting poles. This provides a more open stand and allows for some more expansive stands.

Space Only

£467+ VAT per m²

This allows you to bring your own stand and create a completely bespoke presence at Education Estates®. You have creative control over stand design and the way in which your products are displayed.
