Working Together

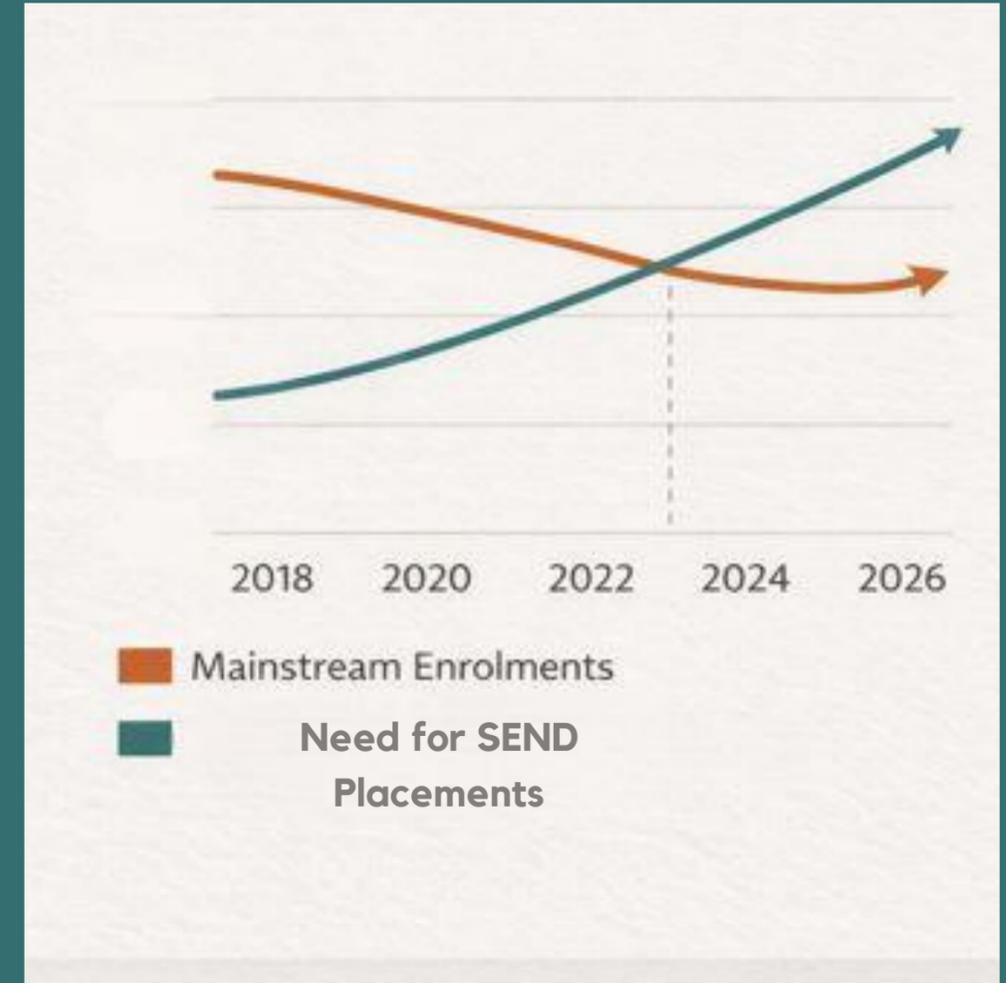

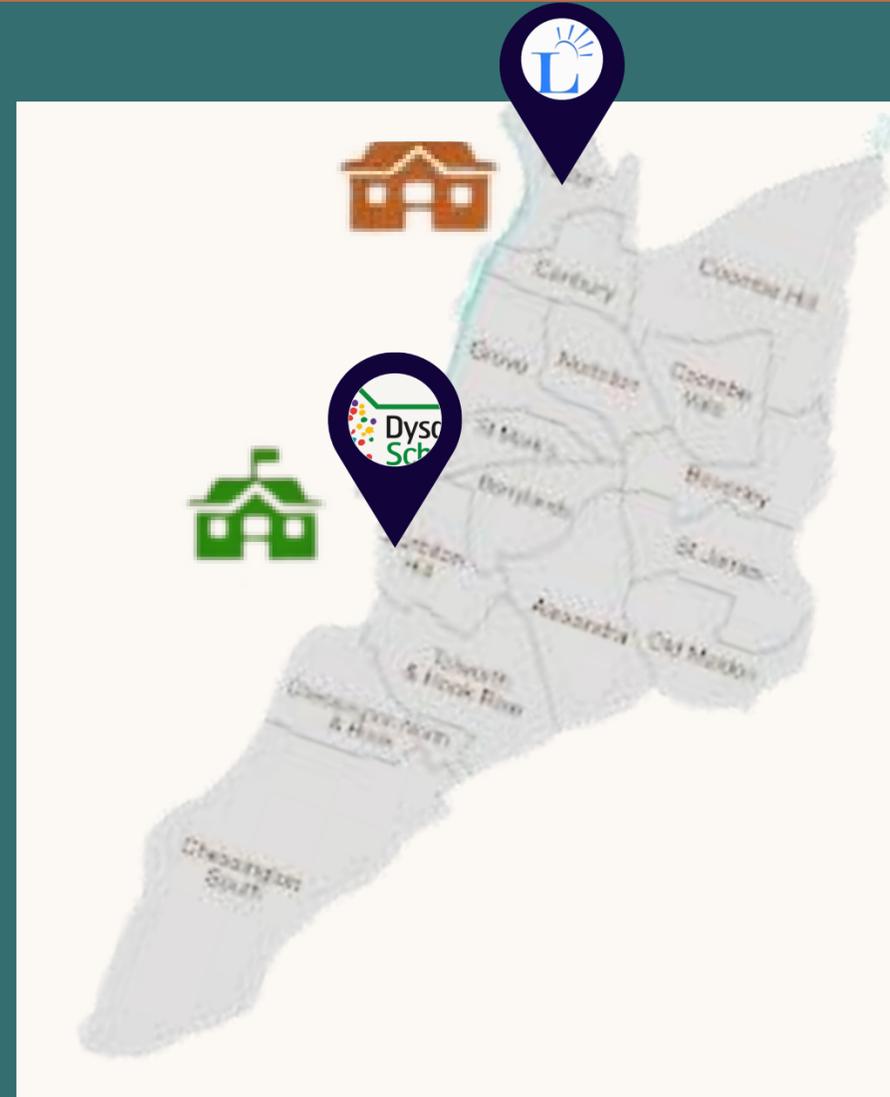

Context

Data shows decline from 2018

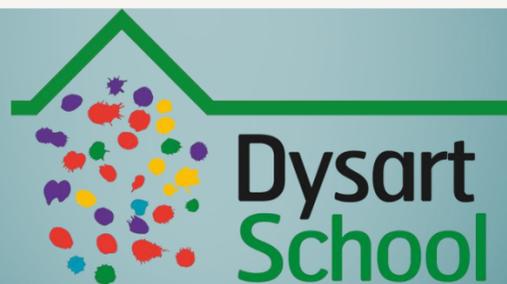

North Kingston Reception applications down 25% since 2019

Working together to repurpose with purpose to meet local need

Responding to falling mainstream rolls through strategic repurposing of public assets.

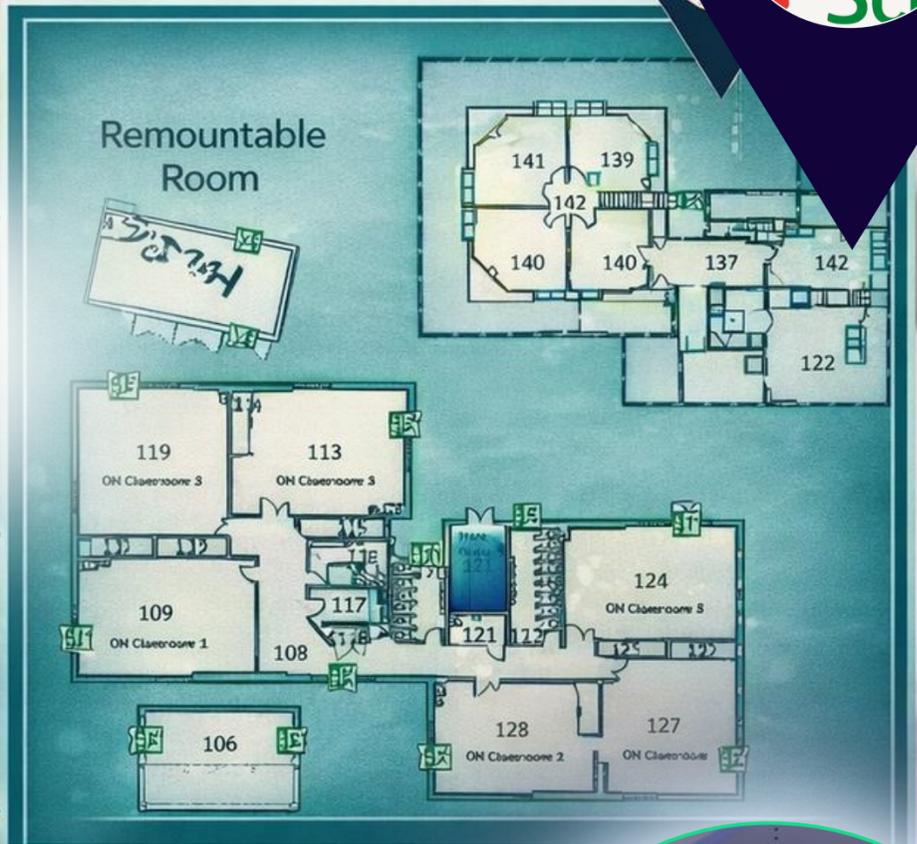

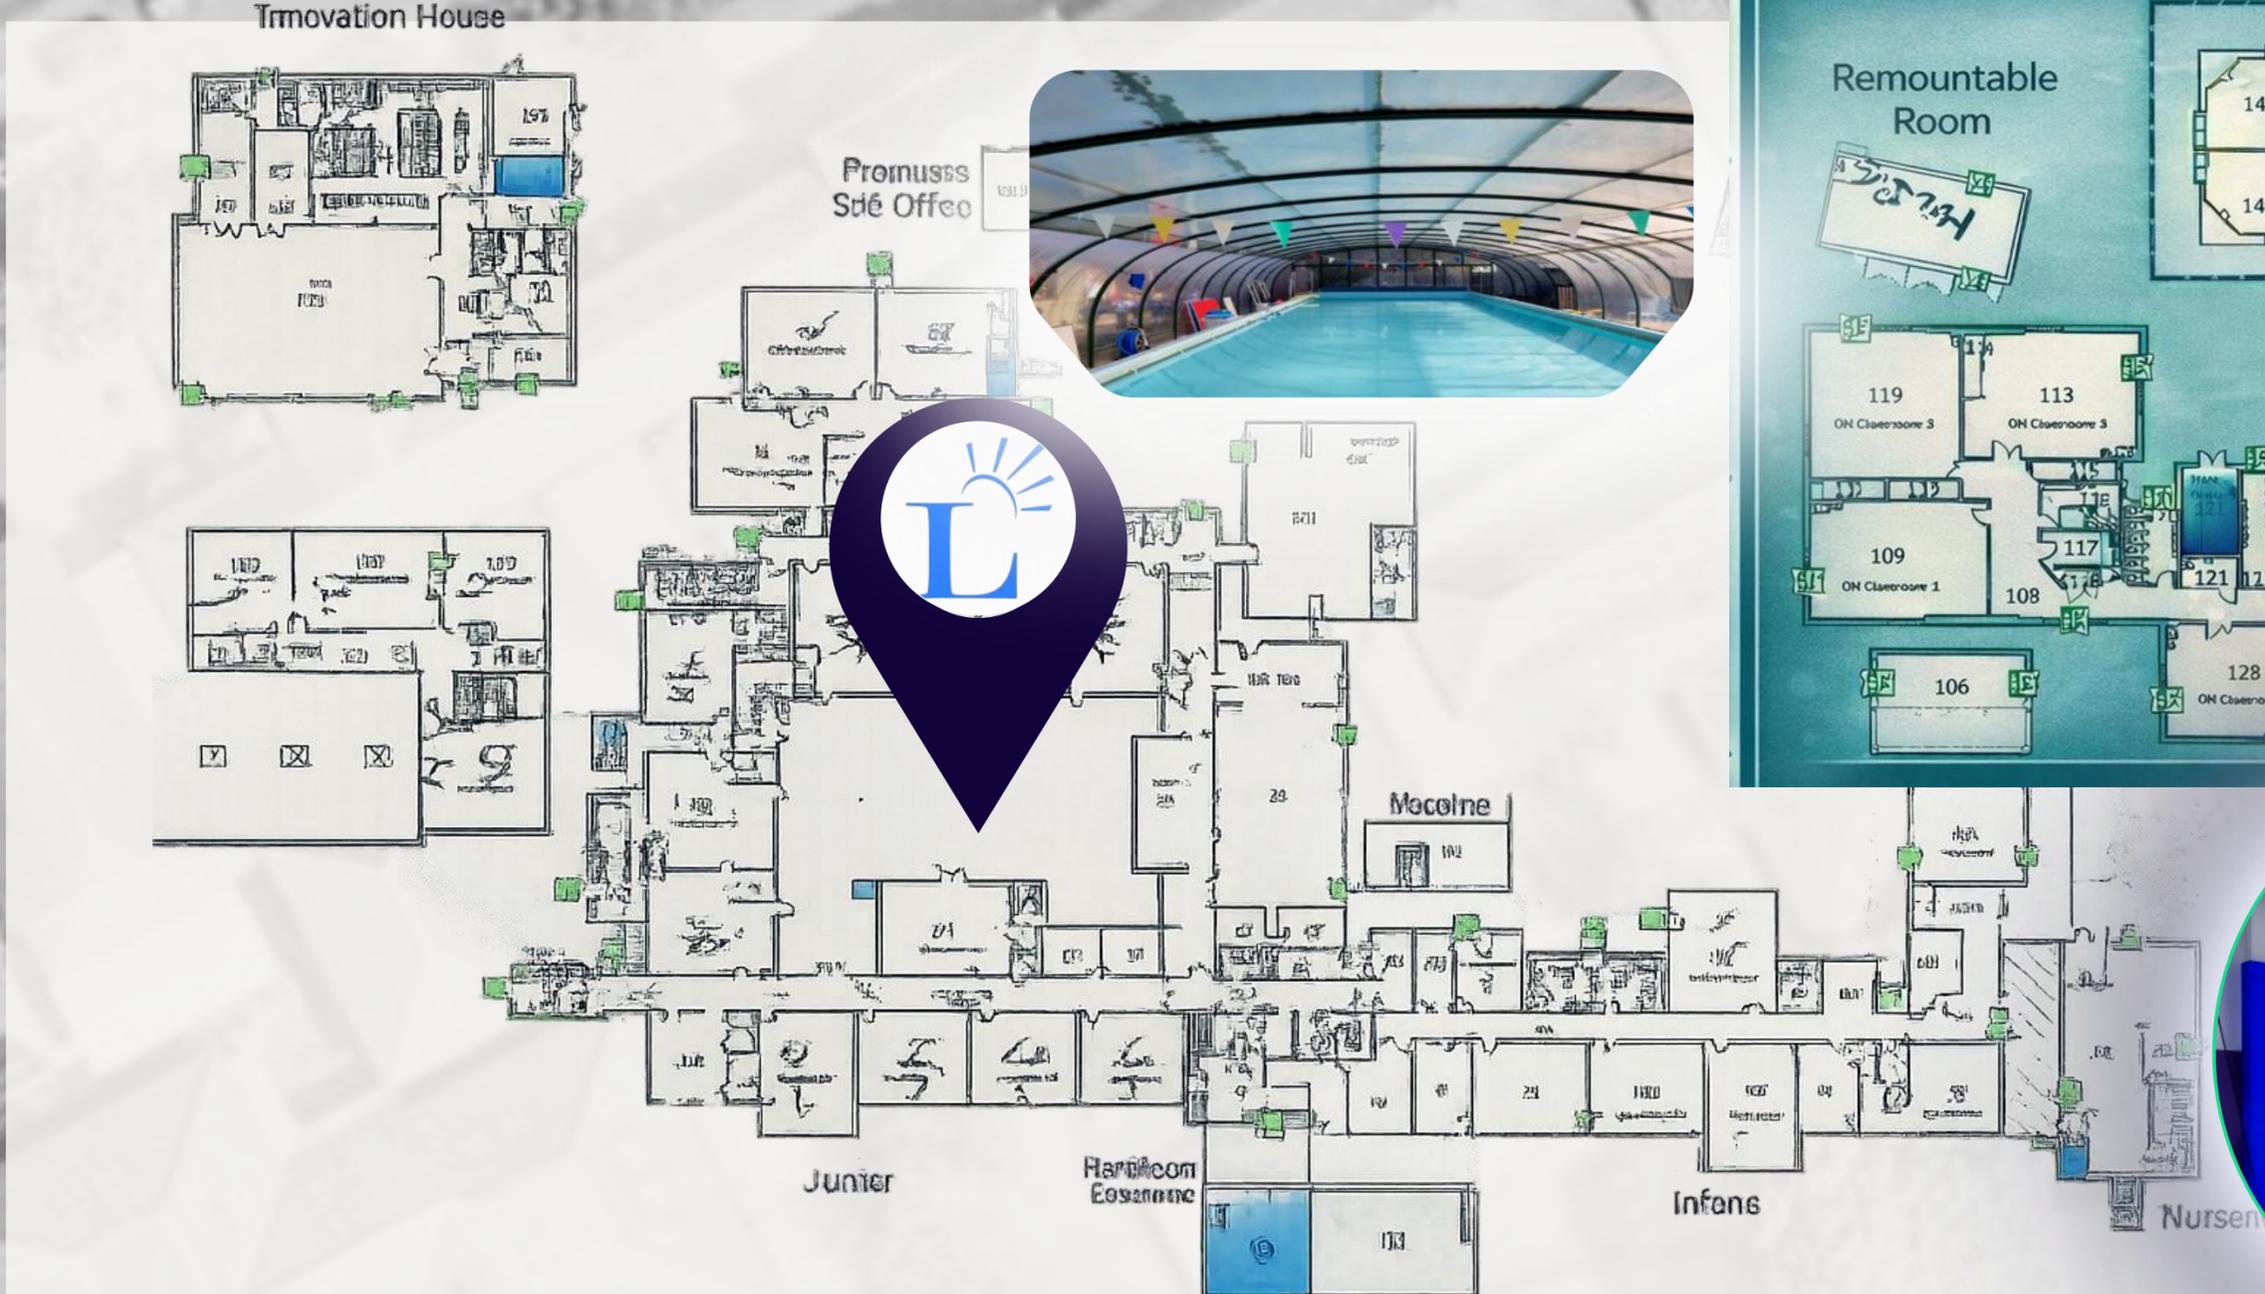

Making Space Work

Collaboration is the cornerstone of educational excellence.
When schools join forces, they unlock limitless potential.

The Project Now

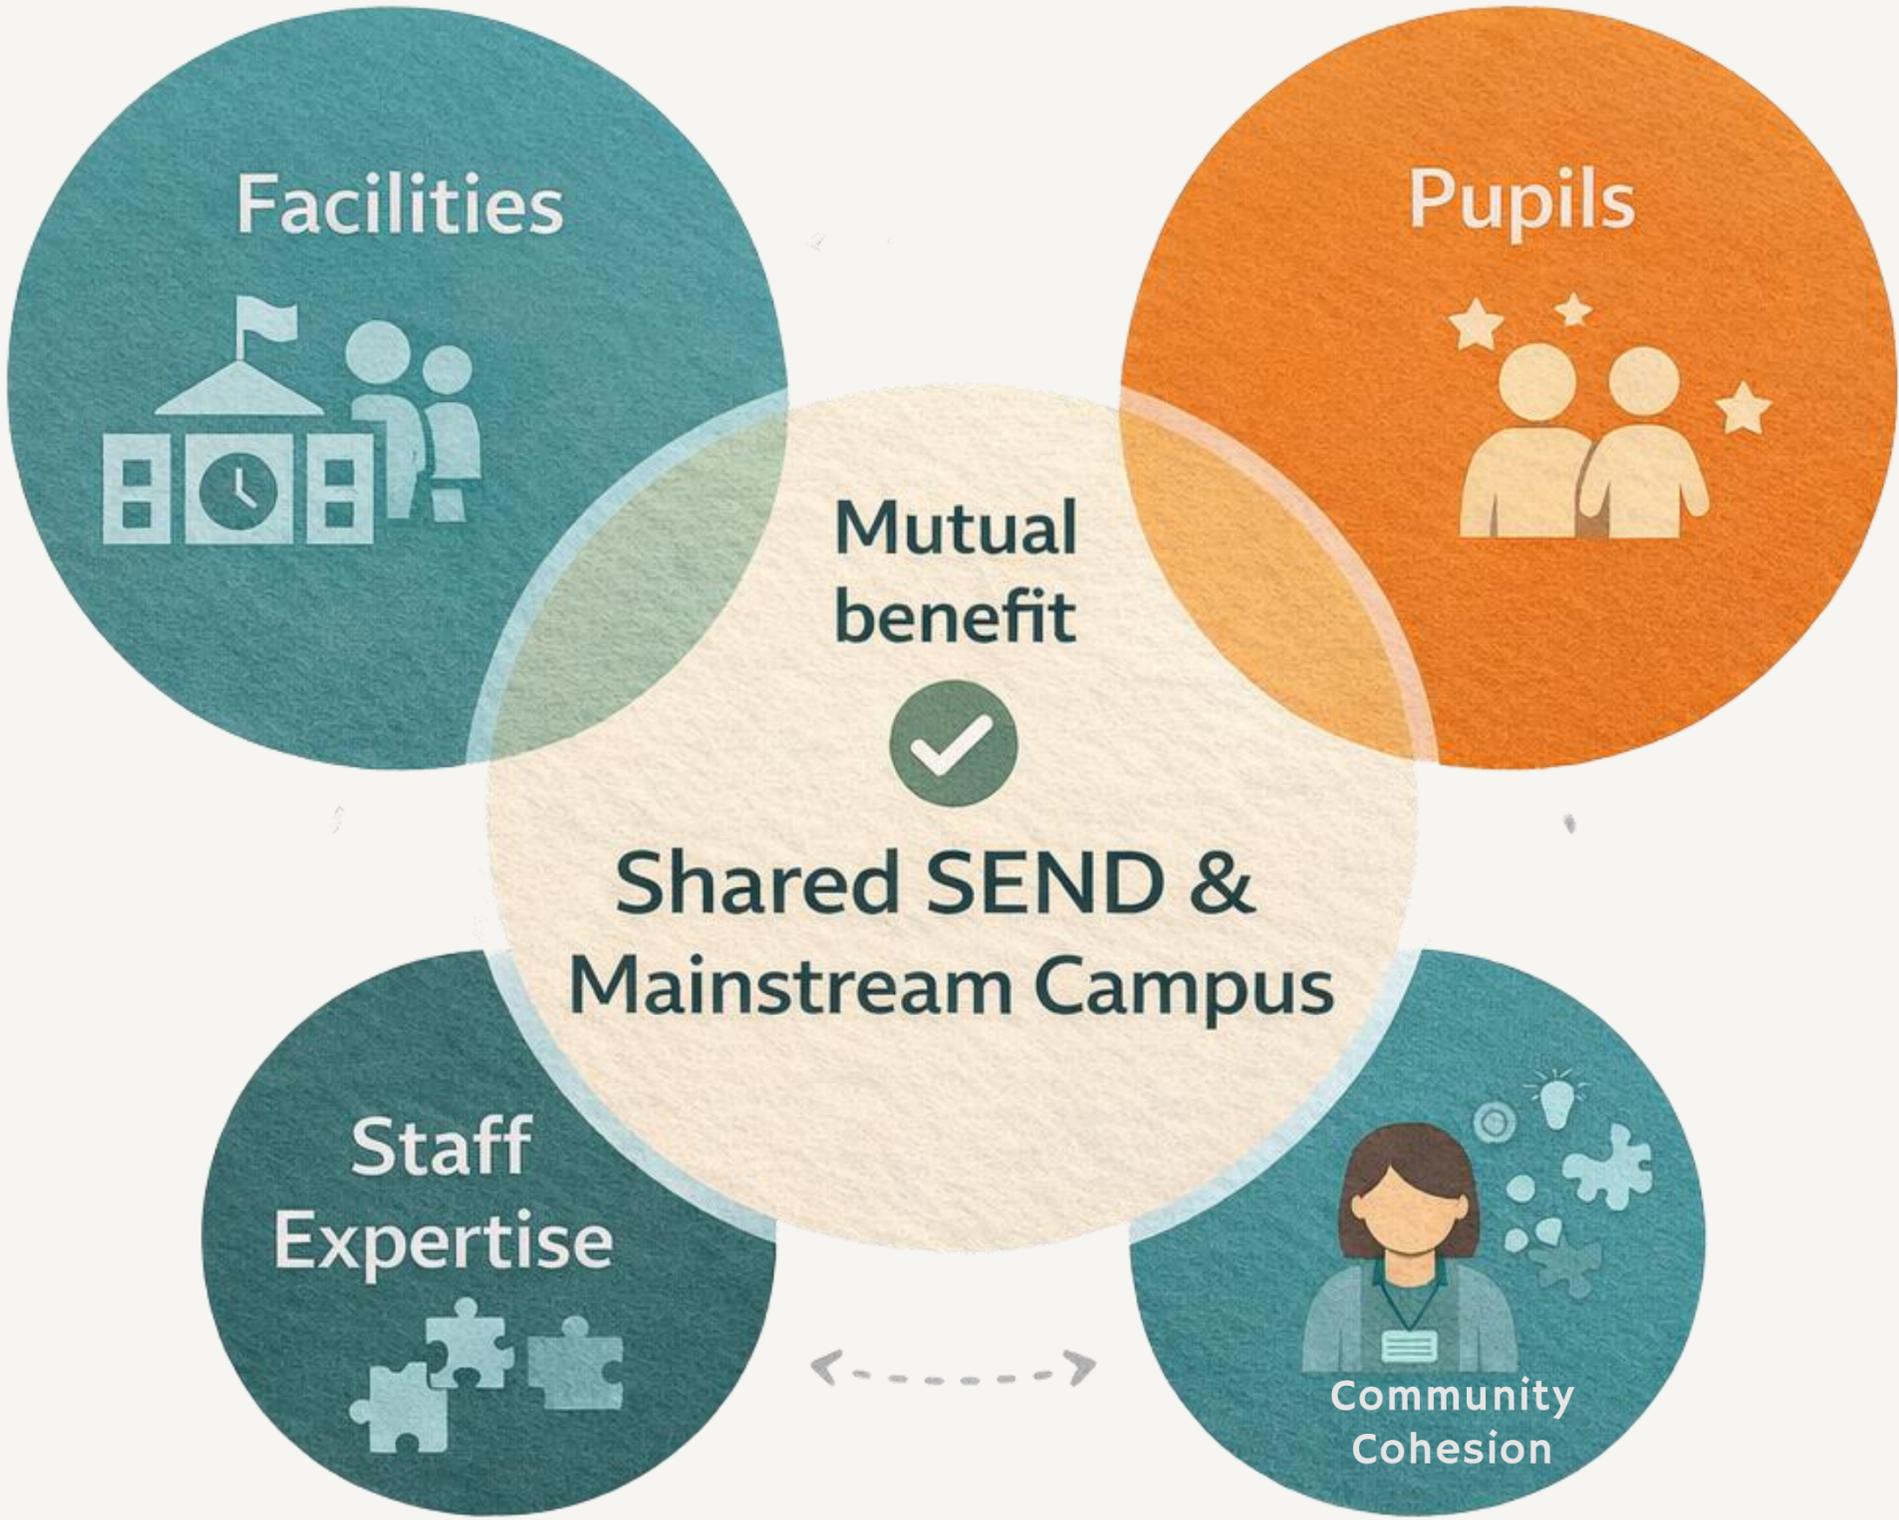

Stakeholder Engagement and Shared Ownership

- Shared values and joint ownership across both trusts and schools.
- Local Authority support aligned to demand, capital and place planning
- Whole-community engagement across both schools
- SEND misconceptions addressed through clear communication
- Staffing risks recognised and planned for

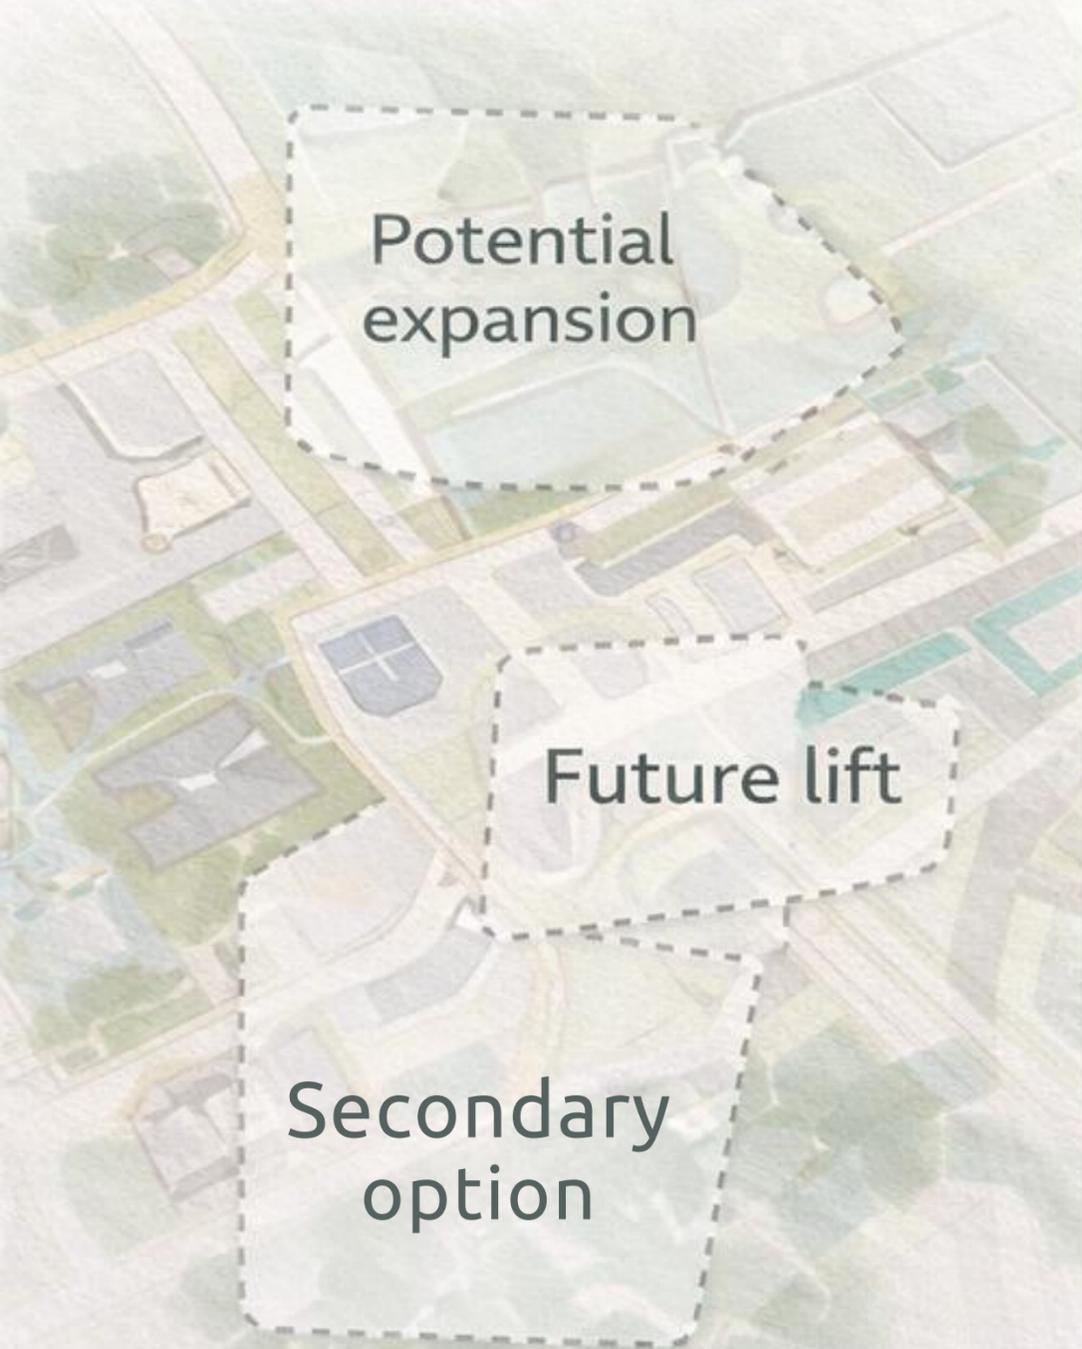

Co-Location benefits

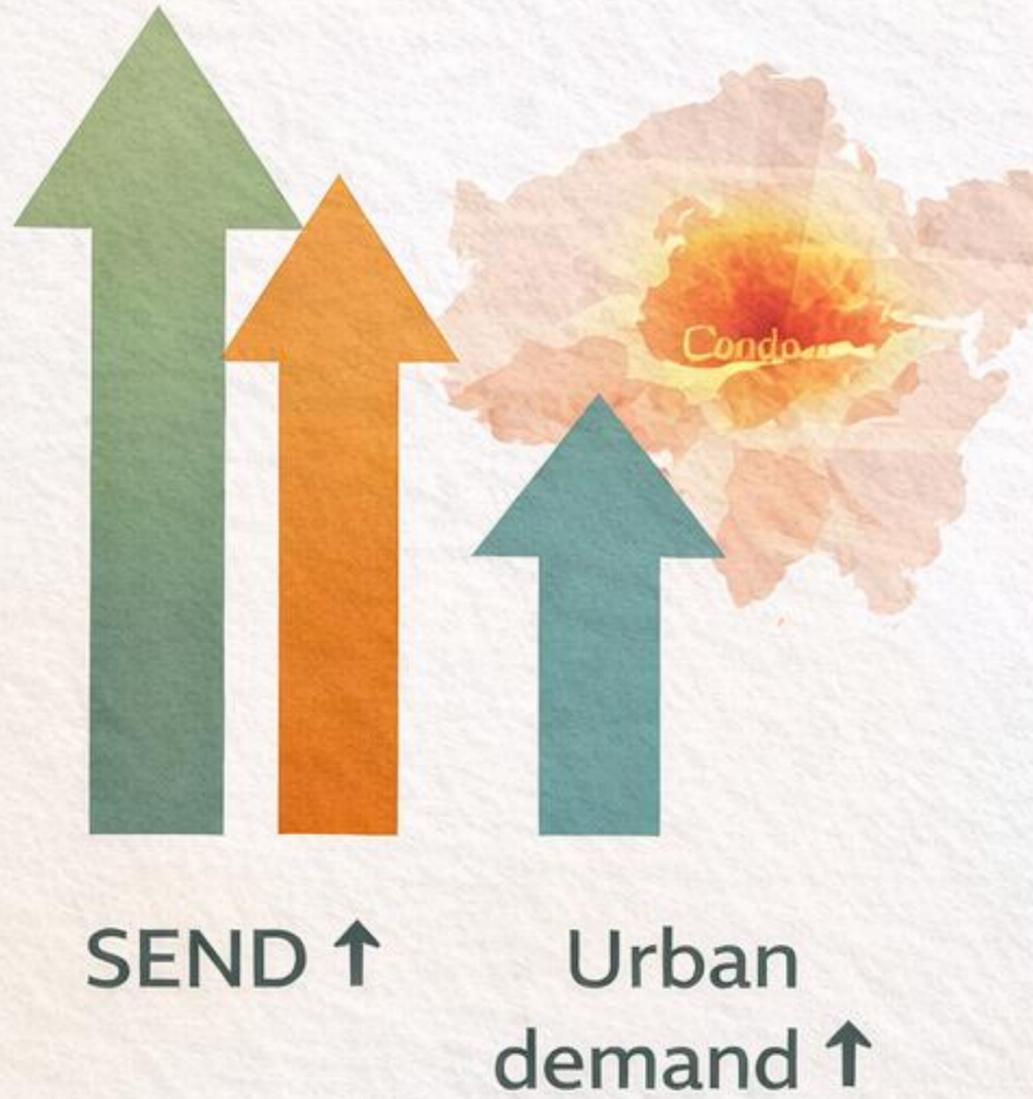

- ✓ Shared Resources
- ✓ Shared Expertise
- ✓ Shared Sense of Community
