SUBMIT YOUR NOMINATIONS BY 31 MAY 2020

Justification for nomination [Please note, that if your nomination is successful, the nominee / company may be contacted for a telephone interview.]

Please confirm:

- The project was undertaken in the past year between 2019 and 2020
- The project is implemented in continental Africa and/or the Islands
- The project is up and running

1. What is the project name and description?

- *Project name and location*
- *Were there partners involved and in what capacity?*
- *What is the project cost and funding structure?*
- *How long did the project/innovation take from inception to operation/implementation?*

2. What were the objectives of the project?

3. How were the project objectives achieved throughout design to completion?

4. How has the project made significant contribution to the water sector's growth in either integrated water resource management, reduction of non-revenue and unaccounted for water, or water/waste water treatment?

5. In what ways has the project minimised cost through application of turnkey solutions and/or increased revenues collection?
