

## C&I Programme

Commercial & Industrial Energy (C&I) Users are among the most proactive market participants in the areas of energy procurement, energy efficiency, self-generation and corporate social responsibility.

This programme is designed specifically for C&I energy users and runs through the Summit Programme as well as parallel sessions on the Energy Markets and Distributed Generation Hubs.

### Join the Drinks Reception

12 & 13 November

From 17:30 - 18:30 hours

On the Energy Markets Bar (C150)

Come by and meet the Energy Traders, and many more of your peers.

### This is your dedicated C&I programme
