**99th EUROPEAN ORTHODONTIC
SOCIETY CONGRESS**

9-13 JUNE 2024 | ATHENS, GREECE

The European Orthodontic Society is excited to announce the 99th European Orthodontic Society Congress in Athens, 9-13 June 2024 and everyone is invited to participate!

The scientific programme will be covered by excellent keynote speakers, with high-quality oral presentations and scientific posters from orthodontists departments around the world.

The EOS Congress is an excellent opportunity to share knowledge, gather new scientific information and learn all about orthodontic advancements. The keynote speakers are the best in their field and will cover and answer questions on clinical and scientific issues that we face in our everyday practice.

#EOScongress24 will bring together:

- Orthodontic practitioners
- Professionals with an interest in orthodontics
- A scientifically orientated orthodontic audience
- Oral and poster presentations
- Postgraduate students of related subjects
- Industry representatives

You will also enjoy:

- An exhibition of a wide range of orthodontic and dental products, as well as new technological developments in orthodontics
- A platform for new researcher to showcase their abstract
- Historic sites where the arts and science flourished more than 5000 years ago and visit museums to discover and appreciate the progression of our civilization, from its beginnings to the present day

Join us for a memorable scientific and cultural experience at the 99th Congress of the European Orthodontic Society in Athens!
