# 99<sup>th</sup> EUROPEAN ORTHODONTIC SOCIETY CONGRESS

9-13 JUNE 2024  
ATHENS, GREECE

# 99<sup>th</sup> EUROPEAN ORTHODONTIC SOCIETY CONGRESS

9-13 JUNE 2024 | ATHENS, GREECE

## PROMOTIONAL TOOLKIT

The European Orthodontic Society brings together orthodontists from all over the world at the Annual Congress, held in different European countries each year. We are excited to announce the 99th Congress of the European Orthodontic Society is to be held in Athens, Greece, 9-13 June 2024.

The EOS Congress is an excellent opportunity to share knowledge, gather new scientific information and learn all about orthodontic advancements. The keynote speakers are the best in their field and will cover and answer questions on clinical and scientific issues that we face in our everyday practice.

### Call for action!

We need your support to play a leading role at #EOScongress24. With your promotional collaboration, we aim to expand our reach globally and increase our orthodontists' community.

# Newsletters/Emails

Please use/adapt the following content for any newsletters, email and website campaigns. If you require the content in a different format, please do get in touch.

The European Orthodontic Society is excited to announce the 99<sup>th</sup> European Orthodontic Society Congress in Athens, 9-13 June 2024 and everyone is invited to participate.

The scientific programme will be covered by excellent keynote speakers, with high-quality oral presentations and scientific posters from orthodontists departments around the world.

The EOS Congress is an excellent opportunity to share knowledge, gather new scientific information and learn all about orthodontic advancements. The keynote speakers are the best in their field and will cover and answer questions on clinical and scientific issues that we face in our everyday practice.

The EOS Annual Congress brings together:

- orthodontic practitioners
- professionals with an interest in orthodontics
- a scientifically orientated orthodontic audience
- Oral and poster presentations
- postgraduate students of related subjects
- industry representatives

You will also enjoy:

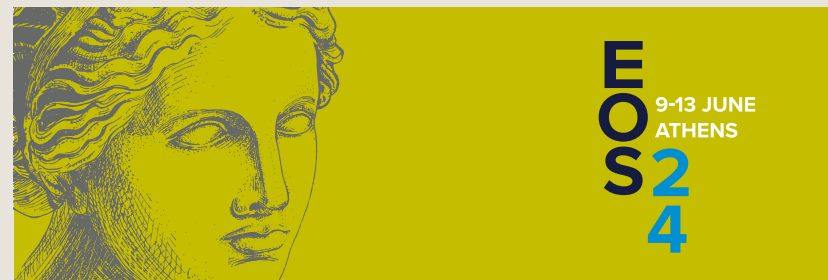

- An exhibition of a wide range of orthodontic and dental products, as well as new technological developments in orthodontics
- A platform for new researchers to showcase their abstracts
- The sun, the sea, the culture and the hospitality of Athens
