

# EVENT GUIDELINES

As part of our efforts to ensure a safe environment during our events, the following measures have been put in place. More details will be shared for each event closer to the time.

## ATTENDEE ADVICE

Please refrain from shaking hands or any close proximity greetings keeping your distance where possible

Wash your hands frequently for at least 20 seconds with soap and water

Hand sanitiser will be available throughout the venue. We encourage attendees to carry their own hand sanitiser

A limited number of masks will be available on site - we encourage all attendees to carry their own masks and PPE

Follow signage, one way systems and floor markings to reduce crowding

**If you are feeling unwell, please notify a member of Tangent Link ensuring we have your contact details and exit the venue. Follow your companies procedure and refer to government advice.**

AFFE: France

EWL: Estonia

All international delegates must check the country's guidelines prior to travel for the latest information. If you are unable to attend an event, please contact us immediately.

## EXHIBITION ADVICE

Regularly clean your booth including all touchpoints and surfaces

Limit the number of people at your booth at any given time and arrange appointments if necessary

Reduce products/stand collateral directing attendees to digitalised information

Arrange networking and meetings away from your booth to avoid congestion and crowding
