BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (10:00 – 10:30)

Theme:

- Canada as a Global Energy Supplier

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

B2B Lounge | B2B Programme – Themed Speed Networking (11:30 – 12:00)

Theme:

- Natural Gas and Methane Innovation

Session Description:

These 30-minute speed networking sessions will allow you to network and connect via targeted one-on-one conversations, with other WPC delegates interested in similar topics. These sessions will provide you with the opportunity to engage in five-minute conversations with up to six individual WPC delegates.

Priority will be given to registered participants who signed up for Speed Networking in advance! Limited spaces are available for walk-ups on a first-come-first-served basis.

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

B2B Lounge | B2B Programme – Themed Speed Networking (13:30 – 14:00)

Theme:

- Bio and Alternative Fuels

Session Description:

These 30-minute speed networking sessions will allow you to network and connect via targeted one-on-one conversations, with other WPC delegates interested in similar topics. These sessions will provide you with the opportunity to engage in five-minute conversations with up to six individual WPC delegates.

Priority will be given to registered participants who signed up for Speed Networking in advance! Limited spaces are available for walk-ups on a first-come-first-served basis.

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

Auditorium 4 | B2B Programme – Innovation Challenge (13:30 – 14:30)

Theme:

- Carbon Capture and Storage

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Innovation Challenge sessions, you'll connect with organizations who are seeking innovative solutions to help meet emissions reduction targets, and helping to accelerate the climate tech solutions that will help businesses decarbonize. You'll have the chance to connect on clean energy challenges and opportunities with the following companies:

- **PTRC** – Presented by Brittney Musleh, Business Development Officer
- **The Global CCS Institute** – Presented by Spencer Schect, Senior Client Engagement Lead

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

B2B Lounge | B2B Programme – Meet the Experts (14:15 – 14:45)

Theme:

- Tax Incentives and Project Development

Speakers:

- [Greg Johnson, Partner](#) + [Pat Maguire KC, Vice Chair and Calgary Managing Partner](#) + [Jason Roth, Partner, Head of Capital Projects Industry Team](#)

Session Description:

Unlock an opportunity to have your most pressing questions addressed by the internationally-recognized energy team at Bennett Jones. In this 30-minute session, explore the intricate relationship between Canada's tax regulations and the dynamic energy sector, engaging directly with our advisors. Join us as we delve into the intricacies of newly-announced tax credit programs, discuss Canadian tax incentives for clean energy initiatives, and explore how these shape energy project development. Tailor-made for senior professionals, don't miss this chance to better understand Canada's tax-energy paradigm and enjoy a forum where complex questions find their answers.

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (15:45 – 16:15)

Theme:

- Geothermal and Renewable Energy

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Monday, 18 September 2023

Auditorium 4 | B2B Programme – Innovation Challenge (16:00 – 17:00)

Theme:

- Net Zero Energy Pathways

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Innovation Challenge sessions, you'll connect with organizations who are seeking innovative solutions to help meet emissions reduction targets, and helping to accelerate the climate tech solutions that will help businesses decarbonize. You'll have the chance to connect on clean energy challenges and opportunities with the following companies:

- **Petroleum Development Oman** – Presented by Osama Kindi, Project Manager
- **Enbridge** – Presented by Trevor McLeod, Director, Emissions Strategy and Planning
- **ACCTC** – Presented by Martin Huard, Hydrogen Lead at InnoTech Alberta

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (10:00 – 10:30)

Theme:

- Energy Transition Technologies: Hydrogen, Carbon Capture, Utilization and Storage (CCUS) and Methane Management

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

B2B Lounge | B2B Programme – Meet the Experts (10:45 – 11:15)

Theme:

- Navigating Regulatory Frameworks and Policy Considerations

Speakers:

- [Martin Ignasiak KC, Partner, Head of Energy Regulatory Practice](#) + [Shawn Munro, Partner, Head of National Energy Industry Team](#) + [Jessica Kennedy, Partner](#)

Session Description:

Join fellow senior professionals for an engaging 30-minute session with Bennett Jones' internationally-recognized energy team. Delve into Canada's energy regulatory landscape, and gain a better understanding of the influence of policy drivers like decarbonization, global demand and robust infrastructure. A 15-minute panel discussion sets the stage, followed by direct engagement and dialogue with our advisors. Tailored for those deeply vested in Canadian energy ventures, this session empowers you to ask questions, think critically and act decisively in an ever-shifting landscape. Mark your calendars and meet the industry leaders who can change how you see, and do, energy business in Canada.

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

Auditorium 4 | B2B Programme – Cleantech Pitches (11:15 – 12:15)

Theme:

- Bio and Alternative Fuels

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Cleantech Pitches, you'll hear about emerging climate solutions to help decarbonize the energy sector and discover potential investment opportunities from leading cleantech companies from Canada and around the world. You'll have the chance to connect with the following cleantech solution providers:

- **OCHIUS Net-Zero Fuels & Chemicals Canada Corp.** – Presented by Jesse Hébert, Co-founder and COO
- **General Energy Recovery Inc. (GERI)** – Presented by Gene Wasylchuk, CEO
- **BXVentures Studio Canada Ltd.** – Presented by Hayden Smith, Head of Partnerships
- **Arolytics** – Presented by Liz O'Connell, President and Co-founder

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

B2B Lounge | B2B Programme – Themed Speed Networking (11:30 – 12:00)

Theme:

- Digital Innovation

Session Description:

These 30-minute speed networking sessions will allow you to network and connect via targeted one-on-one conversations, with other WPC delegates interested in similar topics. These sessions will provide you with the opportunity to engage in five-minute conversations with up to six individual WPC delegates.

Priority will be given to registered participants who signed up for Speed Networking in advance! Limited spaces are available for walk-ups on a first-come-first-served basis.

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (15:45 – 16:15)

Theme:

- Equity, Diversity and Inclusion in the Energy Sector

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Tuesday, 19 September 2023

Auditorium 4 | B2B Programme – Cleantech Pitches (16:00 – 17:00)

Theme:

- Methane Management

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Cleantech Pitches, you'll hear about emerging climate solutions to help decarbonize the energy sector and discover potential investment opportunities from leading cleantech companies from Canada and around the world. You'll have the chance to connect with the following cleantech solution providers:

- **Kathairos Solutions** – Presented by Kelly Doody, CMO
- **Sensirion Connected Solutions AG** – Presented by Susanne Pianezzi, Global Sales Director
- **Highwood Emissions** – Presented by Jessica Shumlich, CEO and Co-founder
- **Kinitics Automation** – Presented by Dean Pick, President

BUSINESS TO BUSINESS PROGRAMME

Wednesday, 20 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (10:15 – 10:45)

Theme:

- Digital Innovation

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Wednesday, 20 September 2023

Auditorium 4 | B2B Programme – Cleantech Pitches (10:30 – 11:30)

Theme:

- Digital Solutions

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Cleantech Pitches, you'll hear about emerging climate solutions to help decarbonize the energy sector and discover potential investment opportunities from leading cleantech companies from Canada and around the world. You'll have the chance to connect with the following cleantech solution providers:

- **Optiseis** – Presented by Andrea Cook, CEO
- **VL Energy** – Presented by Ling Bai, CEO
- **Greenbox** – Presented by Jenny Zhao, CEO
- **Blue Marvel** – Presented by Mark Guirguis, Business Development Director
- **ENOPAI** – Presented by Sarah Strocel, Power Platform & Generative AI Engagement Lead

BUSINESS TO BUSINESS PROGRAMME

Wednesday, 20 September 2023

B2B Lounge | B2B Programme – Themed Speed Networking (11:30 – 12:00)

Theme:

- Carbon Capture, Utilization and Storage (CCUS)

Session Description:

These 30-minute speed networking sessions will allow you to network and connect via targeted one-on-one conversations, with other WPC delegates interested in similar topics. These sessions will provide you with the opportunity to engage in five-minute conversations with up to six individual WPC delegates.

Priority will be given to registered participants who signed up for Speed Networking in advance! Limited spaces are available for walk-ups on a first-come-first-served basis.

BUSINESS TO BUSINESS PROGRAMME

Wednesday, 20 September 2023

Auditorium 4 | B2B Programme – Innovation Challenge (13:45 – 14:45)

Theme:

- Hydrogen

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Innovation Challenge sessions, you'll connect with organizations who are seeking innovative solutions to help meet emissions reduction targets, and helping to accelerate the climate tech solutions that will help businesses decarbonize. You'll have the chance to connect on clean energy challenges and opportunities with the following company:

- **Emissions Reduction Alberta** – Presented by Chris Owtrim, Executive Director, Technology and Innovation

BUSINESS TO BUSINESS PROGRAMME

Wednesday, 20 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (16:00 – 16:30)

Theme:

- Carbon Offset Markets

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Thursday, 21 September 2023

B2B Lounge | B2B Programme – Knowledge Connect (10:00 – 10:30)

Theme:

- Fueling Innovation: Bio & Alternative Fuels, RNG and Natural Gas Innovation

Session Description:

These 30-minute sessions give you the opportunity to network with WPC delegates from a diverse range of energy sector backgrounds and discuss shared decarbonization topics of interest.

Priority will be given to registered participants who signed up for Knowledge Connect in advance! Limited spaces are available for walk-ups on a first-come-first-served basis

BUSINESS TO BUSINESS PROGRAMME

Thursday, 21 September 2023

Auditorium 4 | B2B Programme – Cleantech Pitches (10:15 – 11:15)

Theme:

- Hydrogen

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Cleantech Pitches, you'll hear about emerging climate solutions to help decarbonize the energy sector and discover potential investment opportunities from leading cleantech companies from Canada and around the world. You'll have the chance to connect with the following cleantech solution providers:

- **Interventii Active in Atmosfera S.A.** – Presented by Sorin Dobircianu, Director
- **8 Rivers** – Presented by Nick Borisow, VP Business Development
- **Ekona Power** – Presented by Rob Pryde, Applications Engineer
- **Waste2H2** – Presented by Paul Lisonek, Business Development and Technology Lead

BUSINESS TO BUSINESS PROGRAMME

Thursday, 21 September 2023

Auditorium 4 | B2B Programme – Cleantech Pitches (11:15 – 12:15)

Theme:

- Carbon Capture, Use and Value-Added Products

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Cleantech Pitches, you'll hear about emerging climate solutions to help decarbonize the energy sector and discover potential investment opportunities from leading cleantech companies from Canada and around the world. You'll have the chance to connect with the following cleantech solution providers:

- **Japan Petroleum Exploration Co., Ltd.** – Presented by Momoyo Yuki, Head of Research
- **CarboMat Inc.** – Presented by Shabab Saad, CEO and Co-founder
- **Great Northern Power** – Presented by Victor Juchymenko, President
- **CStream** – Presented by James Crandall, Senior Engineer
- **SixRing** – Presented by Scott Treadwell, President
- **IONADA** – Presented by Robert Clarke, Director

BUSINESS TO BUSINESS PROGRAMME

Thursday, 21 September 2023

B2B Lounge | B2B Programme – Themed Speed Networking (11:30 – 12:00)

Theme:

- Hydrogen

Session Description:

These 30-minute speed networking sessions will allow you to network and connect via targeted one-on-one conversations, with other WPC delegates interested in similar topics. These sessions will provide you with the opportunity to engage in five-minute conversations with up to six individual WPC delegates.

Priority will be given to registered participants who signed up for Speed Networking in advance! Limited spaces are available for walk-ups on a first-come-first-served basis.

BUSINESS TO BUSINESS PROGRAMME

Thursday, 21 September 2023

Auditorium 4 | B2B Programme – Innovation Challenge (13:30 – 14:30)

Theme:

- Net Zero Energy Pathways

Session Description:

The path to net zero is challenging, and it's also filled with opportunity. At the Innovation Challenge sessions, you'll connect with organizations who are seeking innovative solutions to help meet emissions reduction targets, and helping to accelerate the climate tech solutions that will help businesses decarbonize. You'll have the chance to connect on clean energy challenges and opportunities with the following company:

- **Pathways Alliance** – Presented by Robert Mugo, Director, Green House Gas Environmental Priority Area, COSIA (a division of Pathways Alliance)
