Our Accreditation & Certification

Who is UKATA?

The UK Asbestos Training Association (UKATA) is a prominent organisation in the UK with a developing presence overseas, dedicated to setting and maintaining high standards in asbestos training.

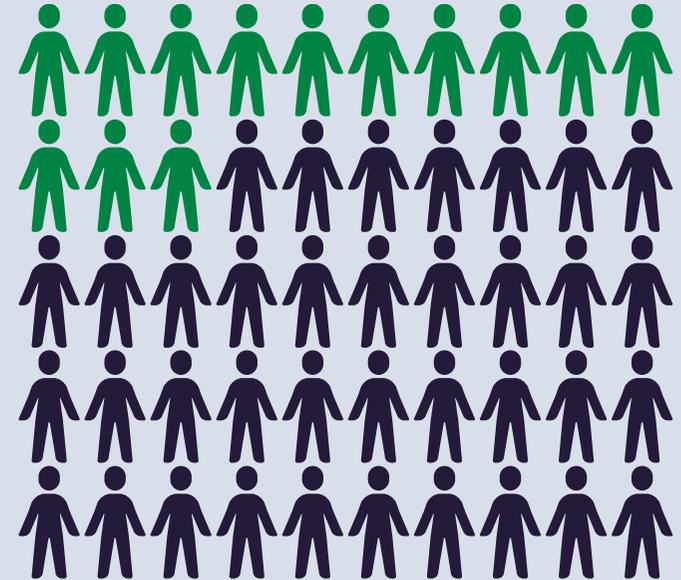

Established to ensure the safe handling, management, and removal of asbestos, UKATA approves training providers and ensures compliance in accordance with the UK's Control of Asbestos Regulations 2012.

UKATA plays a crucial role in raising awareness of asbestos related risks, providing industry professionals with the knowledge and skills necessary to prevent exposure to this hazardous material.

An estimated 13 people per day die from an asbestos related disease.

A Message for Future Industry Associates

Liam Pembleton
Quality Assurance Manager

“ Thank you for considering joining UKATA as an Industry Associate. We are thrilled at the prospect of partnering with you and are dedicated to ensuring you gain the maximum benefit from your relationship with us.

By joining UKATA, you are not just aligning with one of the leading asbestos associations in the UK—you are also enhancing your brand visibility through our dedicated Associate Programme. This exclusive opportunity allows you to connect with a broad network of industry professionals, from asbestos analysts to licensed asbestos contractors, and reach a growing audience that values UKATA-approved companies.

As the Quality Assurance Manager for UKATA, I work closely with our Industry Associates to promote industry-related services and support your business goals. Whether you're looking to expand your reach or enhance your professional reputation, UKATA is here to support you every step of the way.

We look forward to the opportunity to work with you and help elevate your business within the asbestos and health and safety industry. ”

What is Industry Associate Status?

UKATA Industry Associate status offers companies and organisations the opportunity to align themselves with the leading asbestos training association in the UK. This status allows businesses to demonstrate their commitment to raising awareness and supporting safe asbestos management practices within their sector.

Who can apply? Industry Associate status is open to organisations that may not provide training directly but have a vested interest in asbestos management, such as equipment suppliers, consultancy firms, or companies involved in asbestos removal, analysis, or disposal.

Categories Available: Industry Associate status is available to a wide range of businesses involved in asbestos-related industries. You can apply for one or multiple categories, depending on your organisation's focus:

Asbestos Analysts

Asbestos Consumables

Asbestos Consultancy

Asbestos Recruitment

Asbestos Sampling

Asbestos Software

Asbestos Surveying

Asbestos Waste Collections

Asbestos Waste Transfer Station

Audio/Visual Products

Building Contractors

Contaminated Land Consultancy

Contaminated Land Remediation

Environmental Contracting

Financial Services

Health & Safety

Health & Safety Consultancy

HR Advice

IT Solutions

Legal Services

Licensed Asbestos Removal Contractor

Machinery, Plant & Equipment Hire

Non-Licensed Asbestos Removal

RPE/PPE

Silica Monitoring

Unlock the Benefits of Industry Associate Status

Industry Recognition and Trusted Exposure

By becoming a UKATA Industry Associate, you gain instant recognition across the asbestos industry. With access to over 140,000 website visitors annually, your company will benefit from significant exposure. Showcase your expertise to an engaged audience actively seeking asbestos-related services and products.

Promotional Opportunities

As an Industry Associate, you'll have the exclusive opportunity to advertise your products and services to UKATA members and our extensive network of industry contacts. Whether it's through the UKATA Industry Associate Directory or tailored promotional campaigns, your business will be positioned as a trusted provider within the asbestos sector.

Exclusive Use of the UKATA Logo

The UKATA logo is a hallmark of excellence in asbestos training and management. Industry Associates are granted the right to use this prestigious logo on marketing materials, websites, and vehicles, signaling your company's commitment to the highest standards in asbestos management.

Unlock the Benefits of Industry Associate Status

Boost Your Visibility in the UKATA Directory

Industry Associates are featured prominently within the UKATA Directory, positioning your company alongside industry leaders. This key platform connects you with potential clients who trust UKATA's rigorous standards and seek out reputable partners within the asbestos industry.

Audience Engagement and Networking

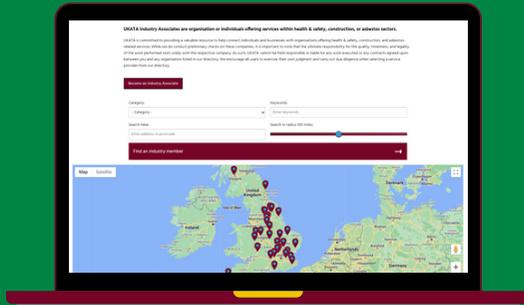

Engage directly with the asbestos training community and related sectors through various UKATA platforms. From participating in webinars and virtual events to attending in-person conferences, you'll have opportunities to build connections and showcase your expertise. Industry Associates also receive free entry to the annual UKATA Asbestos Conference and discounts on other industry events, enhancing your ability to network and grow.

Stay Informed and Shape the Future

As a UKATA Industry Associate, you'll stay informed with the latest industry updates and news, receiving exclusive access to UKATA's insights. Participate in working groups, contribute to shaping industry practices, and keep your business ahead of regulatory changes.

Industry Associate Directory

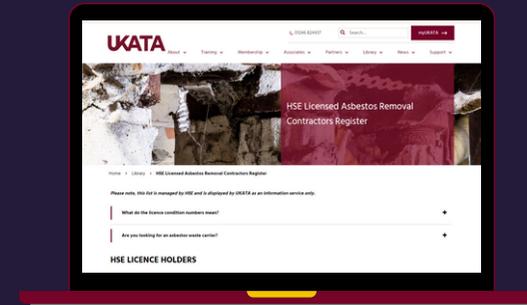

Our Industry Associate Directory is designed to showcase businesses aligned with UKATA's commitment to excellence in asbestos management.

This directory gives our Industry Associates the visibility they need to engage with potential clients across various sectors.

Whether you're offering asbestos consultancy, equipment, or health and safety services, your business will be listed alongside other trusted names in the asbestos industry.

Take advantage of exposure to our 140,000 annual website visitors and make sure your company stands out to those seeking the best in asbestos-related services.

Asbestos Removal Directory

Our Asbestos Removal Directory complements the HSE's alphabetical list of Licensed Asbestos Removal Contractors (LARCs) featured on our website. While valuable for professionals, the UKATA directory offers a more user-friendly experience with a searchable, interactive map, making it easier for clients to find the right service.

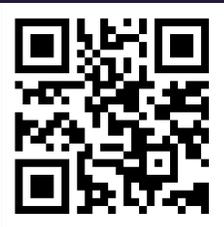

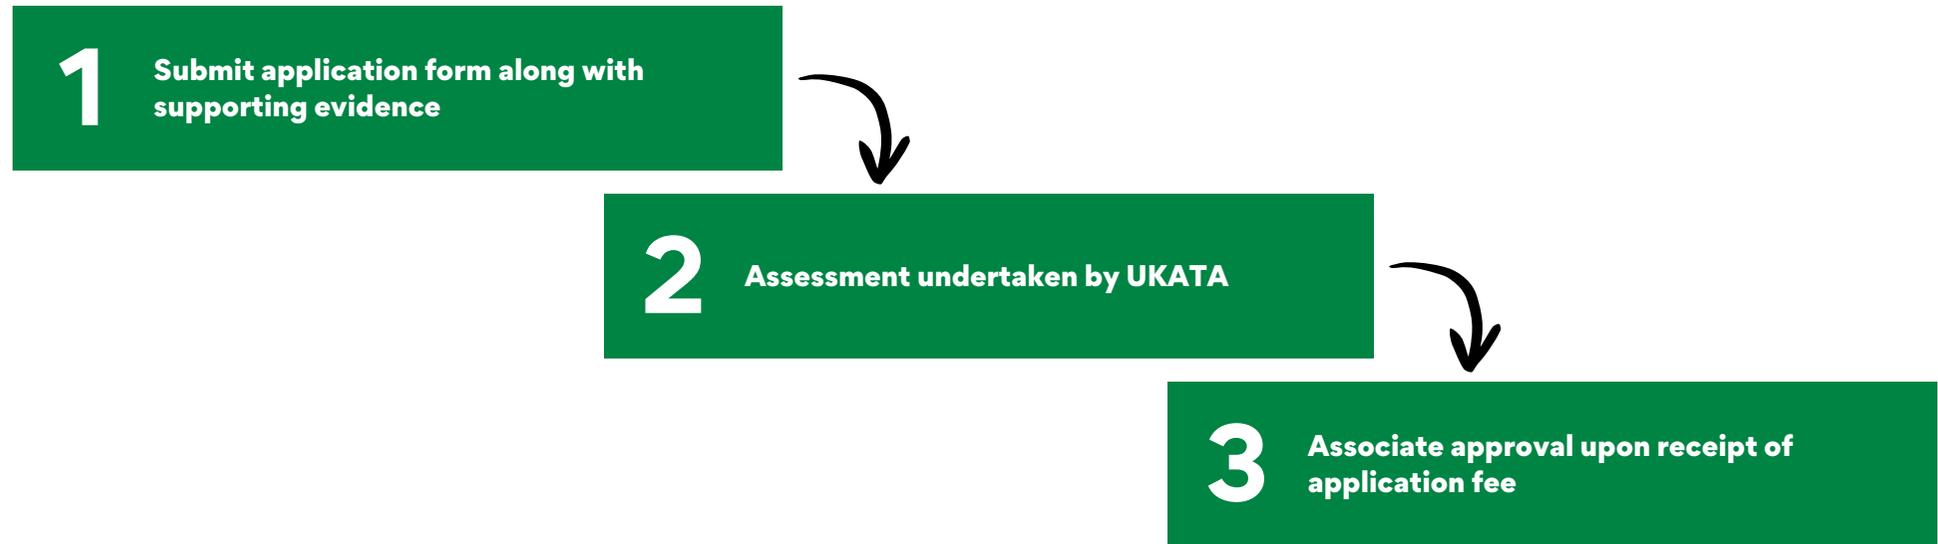

As a removal company joining as a UKATA Industry Associate, you will be added to this directory free of charge. Your profile will be searchable, giving you a significant advantage in visibility and ensuring potential clients can easily connect with you.

With UKATA ranking number one on Google for the LARC register, joining our directory provides the best opportunity to secure new work and enhance your business's presence in the asbestos industry.

How to Apply

Applying for UKATA Industry Associate status is straightforward.

Simply complete the online application form on the UKATA website and provide details about your organisation's role in the asbestos management process. UKATA will review your application and guide you through the next steps.

The cost of becoming an Industry Associate is £250 + VAT per year.

To start your application, scan the QR code provided or visit:
www.ukata.org.uk/associates/industry-associate-application.

Hear from Our Community

“All staff I have correspondence with are friendly, informative and extremely helpful. Thank you!”

“I find the staff at UKATA always very quick to respond, friendly and helpful.”

“Can't think of any improvements needed, response is always speedy and comprehensive to requests for support etc. The membership team provides us with an excellent service.”

“I can honestly say I can not think of a way to improve UKATA's customer service, the level of service we have experienced over the last year has been on point, with any enquiries being dealt with thoroughly and promptly.”

“I think UKATA are very good at communicating and we have had no issues over the last ten years!”
